* A Narrative-based Action RPG, where your choices create a unique storyline! * A richly detailed world full of variety, filled with monsters and dangers. * A deep and intriguing story, where curiosity and curiosity-driven actions will be rewarded! * An online experience that allows players to develop personal bonds and grow together. * A game where the power of various characters, made stronger by your endurance, will determine your fate. ABOUT HELD ARENA WORLD Held Arena World is a developed extension of Elden Ring, and is a live game being played by the developers. The game will feature over 5,000 items, a player-verse that we created from the ground up, and various activities including open-world events, game rooms, and multiplayer battles. * Held Arena World is a live game, and will soon be launched on the official website. So please pay attention to the news. * In the development of Held Arena World, we will make every effort to create a game that will be enjoyable for many players to play over long periods of time. We hope to bring continuous freshness to this game. * Held Arena World will be released in summer 2020. * Enjoy your time in Held Arena World! iOS Google Play region is expected to see 20 to 30 percent fewer millimeter wave radar transmitters in the coming years as the existing base of low-powered units nears the end of their estimated operational life. An Army program office recently released the second of three draft Environmental Assessments for the Distributed Common Ground System (DCGS) and the Advanced Battle Management System (ABMS) Common. The draft documents are a result of a 12-month public process that included meetings with the affected stakeholders, the program's third draft environmental assessment posted in January and a public comment period that closed on March 9. "The 2015 and 2016 EA's were the first time we engaged the Army community in a meaningful way, so it was a process of learning how to do that

effectively,” said Major General Matthew P. Scha

Features Key:

Gameplay Systems

- 3 large game worlds with hundreds of dungeons and territories.
- A fast-paced fighting system where dynamic movements can gain momentum, allowing for powerful attacks.
- A skill system where you're able to use different class skills depending on the situation.
- A world where numerous events occur around you, resulting in various consequences.
- A world where training characters and raising monsters result in success.

Playing Style

- Create your own character by adjusting your equipment.
- Travel across the country using your character's mount.
- Gather your allies and hero troops during multiplayer and online gameplay.

Main Characters

- Exalas, an imposing Elden Lord who took control of the Lands Between.
- Nale, a scholar and member of the Exalas household guard, who endured torture and got stabbed by Kevena.
- Aschlur, a warrior from the neighborhood of Aton, who fell for Nale despite the fact that they were enemies.
- Kitten, a mysterious girl with superhuman powers who crossed over to the Lands Between from the Al-Kharjar Empire.
- Kevena, a silver-haired paladin from the Al-Kharjar Empire who was stabbed by Aschlur.
- Aschlur, a tough warrior from the Al-Kharjar Empire. He has been different from the rest because he doesn't believe in the Elden Council.
- Beowulf, a gruff warrior from the Highlands, who will protect you with his life.
- Yseult, a young noblewoman from the Highland palace. She's war-weary, but can't betray her father.
- Ricken, who rules the territories in the southwest. Ricken is the appointed guardian of the Elden Council.
- Eden, a mysterious Elder who resides in the Sands Below.
- Kevena's twin sister, Emerina, who's stuck in the feudal era and covets the throne of the Al-Kharjar Empire.
